

**THE APPLE TREE
FARM SHOP**

Cheese Wedding Cakes

**Made by hand at The Apple Tree Farm Shop,
Brimsmore Gardens, Yeovil, Somerset**

*Blessed are the cheese makers –
they produce and we create cakes!*

Chosen by the Bride and Groom so each cheese creation is unique. A **Cheese Wedding Cake** is a wonderful way to celebrate local flavours and a fantastic centre piece for the Wedding Feast.

Just add Somerset chutneys, savoury biscuits and fresh fruit – a perfect, practical and delicious extra course after the wedding breakfast or to take centre stage at the evening buffet.

The Apple Tree Farm Shop has a cheese counter stocked with award winners, and local legends. We visit the cheese makers & understand the differences in the techniques to make them, can easily guide and recommend which cheeses would make a good display and provide the right mix for your wedding guests to enjoy.
